

# PRODUCT SAFETY AND QUALITY POLICY STATEMENT

At Darling Ingredients, product safety and quality are fundamental to creating sustainable pharmaceutical, food, feed, and fuel ingredients for a growing population and supported by our three core values of integrity, transparency, and entrepreneurship.

As a global leader in the marketplace, Darling Ingredients is dedicated to:

- Providing quality products that are safe for their intended use,
- Meeting or exceeding customer expectations,
- Complying with all applicable regulations, and
- Continuously improving our products, product safety & quality culture and services.

The senior management at Darling Ingredients supports these objectives and is committed to providing financial and human resources as needed. This commitment to product safety and quality is demonstrated by our ongoing investment in our people, programs, and infrastructure.
