BENEFITS OF OUR SOLUTIONS

Our collagen solutions come with numerous benefits – not just for consumers, but also for manufacturers.

Application versatility

Fast, superior cold- and warm-water solubility

Neutral in taste and odor, even at high concentrations

Transparent in solution

High stability in a wide range of pH values

Heat resistance

Rousselot's Global Sensory Program draws together insight from our lab analysts and sensory panels to test our products in a scientific, objective and standardized manner. The Sensory Lab is the go-to resource for any questions or ideas you may have about sensory performance.

With Peptan collagen peptides

Peptan Flex & Go Drink

Excellent for bone & joint health plus supporting muscle mass. One glass of this delicious berry drink contains 5g of Peptan, acerola, plus calcium and vitamin D. Naturally high in vitamin C and fiber, Flex & Go is the perfect drink to improve your mobility! It is a source of protein and of calcium and vitamin D, allowing for EFSA health claims for maintenance of bone health and muscle mass.

Mix & Match

Rousselot collagens are compatible to blend with other functional ingredients holding mobility health claims as approved by (FDA/EFSA/etc.) such as:

Ca

Calcium

- Is needed for the maintenance of normal bones (EFSA)¹
- Contribute to normal muscle function (EFSA)²
- Function/Structural claim (FDA)² Example: "builds strong bones"

D

Vitamin D

- Vitamin D contributes to the maintenance of normal bones (EFSA)³
- Function/Structural claim (FDA)² Example: "supports strong bone growth"

Mix

Calcium & Vitamin D

Adequate calcium and vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis. (FDA)⁴
