

ALEXIS GOLDSTEIN

SENIOR ACCOUNT EXECUTIVE

Meet Alexis! Alexis has been a part of the DAR PRO team since January 2020. Working as a senior account executive, she covers our business throughout Virginia, Washington D.C., and parts of Maryland. In fact, Alexis has called Richmond, VA home for over 20 years. She describes it as a "rubber band city" as it always brings you back. She also likes to describe Richmond as a small town with a big town feel, almost like a Brooklyn borough. And we will take her word for it, as she has had family in New York for years. In the words of her teammates, Alexis is very focused on providing a great experience for her customers and will go above and beyond to ensure that they understand the value they have for DAR PRO.

Q: What is your favorite part about your role?

A: I like being able to breakdown our process of recycling used cooking oil to our customers. I recently worked with a customer that was 30 years into the business and had been carrying oil from their kitchen to their outdoor tank. When I walked them through our automated systems, they were really impressed.

Q: What is your favorite thing about working for DAR PRO?

A: I appreciate working with a leadership team that trusts and respects our time in the field. Having a manager that believes time management is a skill people can have makes my job really great.

Q: What is something you hold important in your role?

A: Turnaround time is important to me. I have to go to bed with my to-do list checked off. Why would I want to leave things from yesterday to do the next day? So, I like to finish tasks as soon as I can, and I have a constant running list of things I can be doing. I am a good multi-tasker, so it's easy for me. It should be an Olympic sport -- I would definitely place!

Q: What do you like to do outside of work?

A: My free time is developing skills with my kids (3 y.o. and 1 y.o.). Once I put them to bed, I love to have a drink with my husband on our porch swing. Or I'm in bed at 8:30 with a book.

Q: What's your favorite fried food?

A: Fried Oreos.
