Q: What do you like most about working for DAR PRO?

A: I love the job agility and problem solving that I get to participate in. It's exciting to have the ability to gather the data and see what story it tells and figure out how it can help us.

Q: What struck you about the training process with DAR PRO?

A: I could tell that DAR PRO was genuinely invested in my success from day one. They have given me all the tools that I need to do my job and more.

Q: If you had to choose three words to describe yourself, what would those words be?

A: If I had to choose, I would say efficient, curious, and relationship-oriented.

Q: What are you known for?

A: I like to think that I am a pretty laid-back person. I am pretty reserved in general, and I'm usually pretty calm.

Q: What do you like to do outside of work?

A: I am a big college football fan, and I also love fantasy football. That takes up a lot of my time in the fall, and I also love film. Some of my favorite films are "About Time", and "Arrival".

Q: What is your favorite fried food?

A: I would have to say that wings are my favorite fried food!
