Q: What do you like most about working for DAR PRO?

A: One of my favorite aspects is the diversity of the people that we serve. I get to meet lots of different people that work in different industries and that has been really fun!

Q: How do you impact the customer?

A: I am a big believer in treating everyone I meet the same way - with respect and enthusiasm.

Q: If you had to choose three words to describe yourself, what would those words be?

A: I would have to choose passionate, enthusiastic, and loyal.

Q: How would you describe what kind of worker you are?

A: I think of myself as an organized early-bird. I have lots of to do lists and love to get out into the field and in front of my customers!

Q: What do you like to do outside of work?

A: I have two kids who are in high school right now, so I don't get too much time to relax, but when I do, I like to play golf, spend time with family and go to Sunday brunch with my friends.

Q: What is your favorite fried food?

A: It's a tie between fried shrimp and onion rings. You can't go wrong with either!
