

# JARED PROVINCE

## INDUSTRIAL ENGINEER

Jared works out of Marengo, OH at our DAR PRO Storage Solutions production facility, where our in-house team assembles our used cooking oil collection tanks. Some of his main responsibilities are to evaluate and improve our processes for production, as well as ensure everything is assembled with the highest quality. He attended Purdue University and received a degree in Industrial Engineering.

---

**Q: What do you like most about your job?**

A: I love to work in teams! The team-oriented aspect of this job is definitely my favorite part. It helps me to always bring my best work to the table.

**Q: What is your favorite part about working for DAR PRO?**

A: I love the mission of DAR PRO and everything that we are doing. It's important work, and I'm proud to be a part of it.

**Q: If you had to choose three words to describe yourself, what would those words be?**

A: I would have to say analytical, honest, and helpful.

**Q: How would you describe your work style?**

A: I'm always looking for ways to improve. It's important to me to not be afraid of change. That's when we get the best results.

**Q: What excites you the most about your future with DAR PRO?**

A: I'm looking forward to working more with my team and helping to facilitate meaningful change in our industry!

**Q: What do you like to do outside of work?**

A: I love to work with my hands, mostly through home improvement.

**Q: What is your favorite food?**

A: I'd have to say it's pepperoni pizza!
