

JODI CLARK

SENIOR ACCOUNT EXECUTIVE

Jodi works as a Senior Account Executive out of Kansas. She has been with us for about 5 years now, and she loves every minute! Before she came to DAR PRO, she had a background in sales and finance. She thrives in the fast-paced environment that her job creates and looks forward to each day. Her peers have said that, "Jodi is perhaps the most generous salesperson I've ever met. Jodi will be the first to put down what she is doing to help another team member. She takes pride in her role to help the whole team succeed and doesn't want anyone left behind. She is also tenacious for her own success, she doesn't let obstacles stand between her and her goals."
