

# JOE FLOURIS

## SENIOR ACCOUNT EXECUTIVE

Joe has been working with DAR PRO for 12 and 1/2 years! He says that his role has evolved over time - for example, when he first started in sales, he was given a pickup truck with 3 tanks in the bed, and the day's goal was to find a home for all three tanks! Now, Joe's work in sales is on a much bigger scale. Members of Joe's team have said that, "Joe has a very thorough understanding of the restaurant industry and the customers we service. Joe is always willing to go the extra mile to help his fellow Senior Account Executives better understand our business while also building longstanding trusted relationships with his customers."

**Q: What do you like most about your job?**

A: I almost never do the same thing two days in a row, so I'd say the variety of my job duties is my favorite part. I can work from the office, on the road, at home, I can visit customers, or contact them via the phone!

**Q: What is your favorite part about working for DAR PRO?**

A: I have really seen this company evolve and become the leader in this industry over the past 12 and 1/2 years, so that is my favorite part.

**Q: If you had to choose three words to describe yourself, what would those words be?**

A: I think I would have to say that I would choose the words flexible, consistent, and knowledgeable.

**Q: How would you describe your work style?**

A: I am very passionate and hard working. I am often emotionally invested in my customer relationships, as well as analytical in my sales approach.

**Q: What do you like to do outside of work?**

A: I have a 13 year old son, so a lot of my time outside of work is spent driving to and from hockey games and practices. I am also a Brazilian Jiu-Jitsu Black Belt & Instructor.

**Q: What is your favorite food?**

A: I would definitely have to say either Greek food or Indian food.
