

# KANDIS MOUNT

## STAFF ACCOUNTANT

Kandis has been with DAR PRO as a staff accountant for 8 years. She works hard to manage accounts payable and receivable for DAR PRO Storage Solutions, who manufactures all of our used cooking oil tanks, in Marengo, Ohio. Her peers have said that "Kandis is a very dedicated employee. She is prompt, accurate, dependable, and a quick learner. She is willing to take on new tasks when asked and isn't afraid to ask for instruction when she needs to. She is "no nonsense " and has been a great asset to our team. She joined us right out of college."

**Q: What do you like most about your job?**

A: I really enjoy the people that I work with. They have become like family to me, especially after being here for 8 years.

**Q: What is your favorite part about working for DAR PRO?**

A: I like what we do from a recycling standpoint. I get to contribute to building a better future for my family.

**Q: If you had to choose three words to describe yourself, what would those words be?**

A: I would choose the words organized, motivated, and reliable.

**Q: Are there any skills that you've learned in your job that you have applied outside of work?**

A: Yes, I have definitely learned how important organization and time management is.

**Q: What do you like to do outside of work?**

A: Besides being a mom of two kids, my husband and I love to go bowling! We met in college on the bowling team, and now we go bowling every Thursday!

**Q: What is your favorite fried food?**

A: That's a hard choice - I think it's a tie between onion rings and fried pickles.
