

MONIQUE KIRBY

INSIDE SALES DEVELOPMENT REPRESENTATIVE

Meet Monique! Monique has been a part of the DAR PRO team since 2018 and helps set up new customers in our system. Born and raised in Dallas, Monique has no plan on changing her home any time soon. One of the reasons she loves Texas so much: the weather. But she would love to travel to Italy one day to see the fashion there. In the meantime, we are happy to have her here in Irving with us. In the words of her teammates, there is never a dull moment with Monique around. Her laugh is infectious and she has a willingness to learn and to help her customers and those she encounters on a daily basis.

Q: What is something you like about your role?

A: We have locations in almost all states, so we have a large map of services. When a customer calls us to get set up, it's a breath of fresh air for them and for me. They might have been searching for a recycling provider for a long time before realizing we are in their area. Being a solution to a problem means a lot to me.

Q: What do you like most about working for DAR PRO?

A: DAR PRO truly cares for their employees. There are small gestures they do that show appreciation. They are always doing things to show that they care. I also look forward to eating the lunch they provide with my teammates.

Q: How do you impact the customer?

A: I have a good positive attitude and remain positive no matter what.

Q: What is something you have learned from working here?

A: Learning about how often restaurants change their oil has been interesting. I know more about the restaurant industry in general now.

Q: What do you like to do outside of work?

A: Shopping, travelling, and spending time with my grandkids.

Q: What is your favorite fried food?

A: Fried empanadas from On The Border
